

While at home, here are some activities to complete. Some activities require a device and these are optional to complete.

WEEK 10 - WEDNESDAY, THURSDAY & FRIDAY			
English	Mathematics	Science & Technology	History & Geography
 Each day read on your own for 20 minutes. Think about who is your favourite character and why. Wednesday Write 5 questions that you would ask the author of your book. Rainbow words - practise your words by writing them in different colours. Thursday Write an acrostic poem using the words: ANZAC DAY Find 10 objects around the house and write 2 adjectives 	 Each day complete the <u>Daily 10</u> <u>Mental Maths Challenge</u> or create ten questions of your own and answer them. Use a calculator to correct your work. <u>Wednesday</u> Write 5 real life word problems using the operations addition and subtraction. Then solve the problems. How could you make \$5.25? Think of 3 different ways you could make the amount using different coins and notes. 	 Wednesday Look up a picture of a Flanders Poppy. Sketch a scientific drawing of one and label the key features of the flower. Write a paragraph to explain the significance of the poppy. 	 Thursday Research Simpson and his Donkey. Who was he and why is it important to remember him? What was his donkey's name? Write 5 fun facts about Simpson on the Google Classroom if you have a device. Find a picture of a donkey and sketch it or try to insert it into your Google Classroom document.
for each.	Thursday	Creative Arts	PDHPE
 Friday Ask a family member to test you on your spelling words from Tuesday. Retell one of the Aboriginal dreaming stories to your family that you read in class. 	 Draw a picture using straight lines and show what angles are present. Colour code the angles: Red: acute Green: obtuse Blue: right Priday Draw a symmetrical picture of an animal, robot or face. What does the word symmetry mean? Write the population of each state in Australia. Put them into ascending order. 	 Wednesday Compose a piece of music (4 bars) to play on the recorder using the notes B, A, G. Practise it carefully and perform it for one of your family members. If you don't have your recorder use a ruler and pretend it is a recorder. 	 Friday Design a fitness program (10mins). Teach it to someone else completing the moves together. Have a dance party with your family! Who has the best dance moves?
