

**Parent Tutor Update.**

Our sincere thanks to our small team of parent tutors who are helping our children strengthen their reading skills. Your help is making an enormous difference!

**This term we are currently looking for a parent to help out on Wednesdays at 2- 2.50pm.**

If you are interested in listening to 4 wonderful, polite and enthusiastic children read one afternoon a week – please return the note below to the office. Mrs Maurice or Mrs Kench will be happy to talk to you and show you how our program runs.
